

QUALITY POLICY

CCGT is committed to perform as a competitive, best practice employer of apprentices and trainees and provider of consultative services.

As such, the Company has declared its intent to understand its markets and identify customer needs and requirements. This ensures that we are delivering services that provide customer satisfaction and quality outcomes.

To ensure CCGT's quality objectives have purpose, we have established an effective and efficient Quality Management System. This system has been planned and developed in conjunction with all functions of the Company and in a culture which encourages employee involvement and participation.

Our Quality System is structured in accordance with the appropriate guidelines as described in the Quality Group Training Standards. CCGT conform to other prescribed relevant standards and regulatory requirements (such as those relevant to various State and Federal requirements).

CCGT adopts the principles of continuous improvement and as such shall maintain and review its Quality Management Systems, processes and responsibilities, to achieve its objectives annually or when changes dictate.

Our commitment to quality is endorsed by principle stakeholders and Senior Management and extends to all functions and levels of the Company. All Company representatives embrace the requirement to accept their share of responsibility for the quality of CCGT services.

Our quality philosophy is stated in this Policy to clearly indicate the attitude and intent of CCGT, since the result will provide the basis for the Company to achieve competitive advantage, continual growth and financial security and will enhance our Company reputation and employee satisfaction.
